

CURATORS OF THE PLYMOUTH ATHENAEUM 1830-99

In 1816 – 1817 an Apparatus Committee was appointed. Curators were later given specific responsibility for ‘The Building’, ‘The Apparatus’, ‘The Museum’ and ‘The Library’. By 1851 the different interests of the Museum had individual Curators, e.g. Botany, Zoology, Geology, Antiquities, etc. The Museum was lost in 1941 and not reinstated.
